

**1996 ROLLS-ROYCE SILVER SPUR MAINTENANCE HISTORY, SEPTEMBER 18, 2004, TO AUGUST 18, 2015**

<b>DATE</b>	<b>WORK PERFORMED</b>	<b>DONE BY*</b>
9/18/04	Repair: non-operating speedometer, intermittent trunk latch, fuel filler door latch, and driver's door lock	BEM
10/9/04	Replace: fan bolts and motor mounts, left rear shock; ; oil & filter change	BEM
4/27/05	Replace: oil pressure switch, front brake calipers, rotors, and pads; correct rear suspension fault	BEM
12/30/05	Replace rear gas springs; oil, lube, filter, inspection; repair hydraulic leak at pumps; fix oil leak; fix coolant leak	BEM
2/4/06	Reseal passenger side headlamp	BEM
5/27/06	Oil, lube, filter, inspection	BEM
6/10/06	Replace front left caliper pistons and seals	BEM
8/12/06	Replace oil pressure sending unit and front shock bushings	BEM
1/27/07	Replace thermostat and gasket	BEM
3/30/07	Replace all door lock actuators; fix leveling problem; oil, lube, filter, inspection	BEM
4/28/07	Replace oil pressure sender	BEM
3/1/08	Repair driver's door lock	BEM
4/19/08	Replace: steering rack, upper right ball joint; lube, oil, filter, inspection	BEM
2/28/09	Replace: brake caliper seals on emergency brake, rear brake pads and rotors	BEM
3/7/09	Fix driver's door lock	BEM
10/09/09	Fix hydraulic fluid leak, tint rear windows, replace alternator belt; lube, oil, filter, inspection	BEM
8/21/10	Remove radio entertainment unit and ash tray, install new entertainment/navigation unit with screen and back-up camera, add auxiliary antenna switch in glove box; replace auxiliary air pump belt	BEM
9/4/10	Replace flying lady (original stolen) and add separate alarm for FL; refit headliner	BEM
12/18/10	Replace: thermostat and gasket, headlight delay relay; repair heater blower	BEM
10/15/11	Front end alignment; replace rear muffler and pipes; lube, oil, filter, inspection	BEM
1/30/12	Replace right front mirror motor; repair intermittent driver's door lock; diagnose and repair inoperative heater (A/C works fine)	ACS
2/10/12	Replace: motor mounts, emergency brake pads, fuel filter, several brake hoses, power steering hose, and steering rack ; service power steering pump; mount and balance 4 Avon tyres; oil, filter, inspection	ACS

10/17/12	Install new steering wheel custom made by Wm. Rau; replace back-up batteries for alarm system	ACS
11/21/12	Oil and filter replacement; inspection	ACS
5/15/13	Replace rear gas springs and accumulator sphere	ACS
9/9/13	Replace entertainment head unit with updated Clarion unit with larger screen, replace backup camera, replace original CD changer with DVD changer	SI
9/24/13	Repair alarm system and code new remotes	BSF
10/17/13	Replace: worn front upper shock bushings and upper level bushings; repair inactive alarm system and code new remotes; repair inactive flying lady alarm; repair driver's door lock; align suspension and headlights	BSF
11/13/13	Lube, oil, filter, inspection	ACS
12/2/13	Replace compliance mounts	ACS
2/19/14	O-ring in plumbing between radiator and engine leaking; tear down to point where leak is located and replace: valley cover gasket, valve cover gaskets, valve cover isolator, valve cover torque tube, head end plate gasket, gasket equalizer tube, O-ring for equalizer tube, air intake manifold seal, air box seal, flame trap hose, spark plug wires, thermostat; repair and reseal brake pumps; inspect camshaft, rockers, pushrods (all fine); lube, oil, filter	ACS
6/19/14	Replace: manifold pressure sensor, micro starter relay for A/C	
12/4/14	Replace micro switch for flying lady alarm; check seat memory backup battery (fine); lube, oil, filter, inspection	ACS
3/13/15	Replace: blown head gasket at cylinder 8, entire engine torn down and both head gaskets and all ancillary wear parts including thermostat and spark plugs replaced; lube, oil, filter, inspection	BEM
7/13/15	Replace: courtesy light module and driver's door micro switch	BEM
